SHOFER - DRY RED 2020

Shofer Areni is made with Areni grapes sourced from century-old mountainside vineyards in Vayots Dzor. It's made using the direct press method. Shofer Areni is medium bodied, with flavors of plum, cherry and black pepper. Shofer Areni showcases the classic traits of this variety; deep notes of cherry and plum alongside some peppery spice. This wine pairs well with barbecue and stews.

Shofer, the Armenian word for "chauffeur," features the emblematic Soviet-era Lada car, used near-exclusively by the country's cabbies. Like in many countries, these drivers are a lively bunch: equal parts welcoming, efficient, boisterous, and opinionated. They take pride in showing newcomers the richness of their homeland, and in facilitating everyday life in Armenia's towns and cities. Like the Shofers, our wines are made to transport adventurous spirits to regions unknown and to celebrate the new and memorable.

A STORICA WINES EXCLUSIVE.
