ODZ ARENI 2023

ODZ pays tribute to the multilayered landscape of Vayots Dzor and to the remarkable ability of the Areni grape to reflect its terroir. The guiding concept of the wine is the “blend of soils”, using grapes grown in 3 distinct vineyards situated at elevations of 1,100, 1,350, and 1,500 meters above sea level.

Each vineyard is vinified separately, and then blended. The wine is an un-oaked expression of Areni’s character. Odz means “snake”, referring to the frequent sighting of snakes in these vineyards.
